any such restriction would render the statutory scheme unconstitutional.

I must assume that the IRS will continue to administer §§ 501(c)(3) and 501(c)(4) in keeping with Congress' limited purpose and with the IRS's duty to respect and uphold the Constitution. I therefore agree with the Court that the First Amendment questions in these cases are controlled by *Cammarano* v. *United States*, 358 U. S. 498, 513 (1959), rather than by *Speiser* v. *Randall*, 357 U. S. 513, 518–519 (1958), and *Perry* v. *Sindermann*, 408 U. S. 593, 597 (1972).
